- Fall 2009-Summer 2012** **Bachelor of Science**, University of Texas at El Paso
Major: Psychology Minor: Biological Sciences
Summa Cum Laude
Senior Honors Thesis Title: The influence of event boundaries on memory for temporal durations

PUBLICATION PREPARATION:

Hughes, A.S., Marquez, L.M., Reyes, S.M., Landrau-Cribbs, E., Dane'El, M.S., Jones, D. E., & Morera, O.F. (Manuscript in preparation for submission). *Development and validation of a facebook usage scale.*

Hughes, A.S., Lechuga, J., & Morera, O.F. (Manuscript in preparation for submission). *Health Psychology mixed methods matrix review.*

Hughes, A.S., Lechuga, J., & Morera, O.F. (Manuscript in preparation for submission). *Mixed methods primer.*

Bangert, A.S., Heydarian, N.M., & **Hughes, A.S.** (Manuscript in preparation for submission). *Optimal schedules and conditions of learning for older adult recall of facts and foreign language vocabulary.*

RESEARCH ASSISTANT EXPERIENCE:

January 2016-Present BUILDing Scholars

Duties: manuscript preparation, data analyses, and program evaluation

RESEARCH PRESENTATIONS:

Hughes, A.S., Oviedo Ramirez, S., Perez, G.M., & Castro, F.G., (2015, June). *Using integrative mixed methods to examine sociocultural influences of perceived risk in Latinos at risk of developing type 2 diabetes.* Poster presented at National Hispanic Science Network, San Antonio, TX.

Hughes, A.S., Perez, G.M., Shaibi, G., & Castro, F.G., (2015, May). *Sociocultural influences on perceived risk in Latinos at risk of developing type 2 diabetes*. Panel presented at Society for Prevention Research Conference, Washington DC.

Bangert, A.S., Heydarian, N.M., & **Hughes, A.S.** (2015, March). *Education in the golden age: the impact of different schedules of distributed practice and encoding variability on older adult learning*. Poster presented at the International Convention for Psychological Science, Amsterdam, the Netherlands.

Castro, F.G., Aguirre, K.M., **Hughes, A.S.** and Heydarian, N.M. (2015, January). *Predictors of resilience in men coping with a serious life problem*. Poster presented at the Society for Social Work and Research, New Orleans, LA.

Hughes, A.S., Marquez, L.C., Reyes, S.M., Landrau, E., & Morera, O.F. (2014, November). *The influence of personality dispositions and relationship styles on the quality and quantity of facebook usage*. Poster presented at the Graduate Research Expo, University of Texas at El Paso.

Hughes, A.S., Dominguez, A., & Castro, F.G., (2014, May). *Influences of acculturation, traditionalism and health motivation as predictors of hba1c in Latinos at risk of type 2 diabetes*. Poster presented at Society for Prevention Research Conference, Washington DC.

Bangert, A. S., Heydarian, N.M., & **Hughes, A.S.** (2014, May). *Investigating the ideal schedules and conditions to facilitate older adult learning*. Poster presented at the Association for Psychological Conference, San Francisco, California.

Heydarian, N.M., **Hughes, A.S.**, Edwards, K., Bangert, A.S. (2013, November). *The role of 1000 ms when crossing timescales*. Poster presented at the Psychonomic Society Conference, Toronto, Ontario.

Perkins, T.G., Oviedo Ramirez, S.L., **Hughes, A.S.**, Perkins, T.G., and Heydarian, N.M. (2013, November). *Using integrative mixed methods to examine stress, perceived personal control, acculturation and resilience*. Panel presented at the Graduate Research Expo, University of Texas at El Paso.

Heydarian, N.M., **Hughes, A.S.**, & Bangert, A. S. (2013, November). *The search for optimal learning conditions for boosting vocabulary and fact memory in older adults*. Poster presented at the Graduate Research Expo, University of Texas at El Paso.

Castro, F.G., **Hughes, A.S.**, Dominguez, A., & Shaibi, G. (2013, October). *The latino lifestyles study: preventing diabetes among latino adults*. Talk presented at the Faces of Diabetes Conference in El Paso, Texas.

Heydarian, N.M., **Hughes, A.S.**, Aguirre, K.M., Castro, F.G. (2013, July). *Retrospective parent-child relationships, cultural orientations, resilience and life satisfaction*. Poster presented at the American Psychological Association Conference, Honolulu, Hawaii.

Bangert, A. S., Heydarian, N. & **Hughes, A.S.** (2013, May). *The benefits of retrieval practice and spacing on older adults' memory for facts and foreign language vocabulary*. Poster presented at the American Psychological Society Conference, Washington D.C.

Heydarian, N.M., **Hughes, A.S.**, Aguirre, K.M., Castro, F.G. (2013, May). *Retrospective parent-child relationships, gender identity, and their effects on current resilience*. Panel presented at the Society for Prevention Research Conference, San Francisco, California.

Hughes, A.S., Bangert, A. S., & Kurby, C. (2012, November). *The influence of event boundaries on memory for temporal durations*. Poster presented at the Graduate Research Expo, University of Texas at El Paso.

Heydarian, N., Bangert A.S., & **Hughes, A.S.** (2012, November). *The benefits of testing and spaced practice on older adult's memory for facts and foreign language vocabulary*. Poster presented at the Graduate Research Expo, University of Texas at El Paso.

Hughes, A.S., Bangert, A. S., & Kurby, C. (2012, October). *The influence of event boundaries on memory for temporal durations*. Poster presented at the Armadillo Conference, Laredo, Texas.

Heydarian, N., Bangert A.S., & **Hughes, A.S.** (2012, October). *The benefits of testing and spaced practice on older adult's memory for facts and foreign language vocabulary*. Poster presented at the Armadillo Conference, Laredo, Texas.

Hughes, A.S., Bangert, A. S., & Kurby, C. (2012, May). *The influence of event boundaries on memory for temporal durations*. Talk presented at the University of Texas at El Paso, Psychology Department.

Bangert, A. S., Heydarian, N. & **Hughes, A.S.** (2012, April). *Optimal schedules and conditions of learning for older adult recall of facts and foreign language vocabulary*. Poster presented at the biennial Cognitive Aging Conference, Atlanta, Georgia.

Bangert, A. S., **Hughes, A.S.**, & Heydarian, N. (2011, October). *Crossing timescales: is there something special about 1 second?* Poster presented at the Armadillo Conference, Commerce, Texas.

TEACHING EXPERIENCE:

Fall 2015

Assistant Instructor

Professor: Ashley Bangert, Ph.D.

Course: General Experimental Lab

Summer 2015

Instructor

BUILDing Scholars Boot Camp

Courses: Financial Literacy, Statistics, Excel, SPSS

Fall 2012-Spring 2015

Teaching Assistant

Courses: History and Systems, Introduction to Psychology, Cross-Cultural Psychology

REVIEW EXPERIENCE:

January 2016

Abstract Reviewer

National Hispanic Science Network

April 2015

Abstract Reviewer

Association for Psychological Science Student Research Award

February 2015

Abstract Reviewer

National Hispanic Science Network

December 2014

Abstract Reviewer

Society for Prevention Research Conference

EDITORIAL EXPERIENCE:

December 2015-Present

Role: Editor

Organization: National Hispanic Science Network

Duties: Edit quarterly online newsletters that highlight NHSN members' accomplishments and research.

COMMITTEE MEMBERSHIP:

October 2015-Present

American Psychological Association Division 38 Researcher on Call Conference Series

August 2015-Present

American Psychological Association Division 38 Social Media Committee

Society for Health Psychology Anniversary Task Force

December 2014-Present

National Hispanic Science Network's Early Career Leadership Committee

MEMBERSHIP IN PROFESSIONAL SOCIETIES:

October 2015- Present

American Psychological Association Division 5

July 2014- Present

National Hispanic Science Network

March 2014- Present

Association for Psychological Science

March 2013-Present

Society for Prevention Research

February 2013-Present

American Psychological Association of Graduate Students

February 2013 - Present

American Psychological Association Division 38

CLINICAL ASSESSMENTS TRAINING:

Proficient in administration of: Wechsler Adult Intelligence Scale (WAIS), MMPI-2, SCID, MCMI.

CLINICAL INTERNSHIP:**June 2014-August 2014****Clinical Intern**

Aliviane Path Program-El Paso, TX

Supervisors: Melissa Briseño, LCDC & Victoria Trujillo, LCDC

Duties: Clinical intakes and crisis management for homeless individuals with substance abuse disorder and at least one mental health diagnosis.
